

The Engineering Valley Tour Presents

Building With PDF

See how PDF simplifies the design through construction process

In this FREE four-hour seminar learn how PDF can save time and money by:

- * Converting all documents to one format
- * Tracking the review process
- * Making updates and changes instantly
- * Controlling document access and security
- * Sharing complex engineering projects even interactive 3-D PDF files
- * Sharing complex geospatial data
- * Search thousands of drawings and manuals in seconds

WHO SHOULD ATTEND:

Engineers Architects
Scientists Project Managers
Researchers College Faculty/Students
Engineering Associates Trainers

Speakers include
Experts from NEI,
Adobe, Layton Graphics
and Bentley

Register early
and be eligible to
win FREE Adobe
software

Engineers can
earn Professional
Development
Hours

For NASA & Redstone Arsenal Badged Employees ONLY

Where: Morris Auditorium Building 4200
Marshall Space Flight Center

When: February 25, 2005 8 am -12 pm

Public & NASA/Redstone Arsenal Employees

Where: Marshall Institute Room 772
700 Cochrane Road; Building 700 Huntsville

When: February 25, 2005
1:00 pm - 4:30 pm

Registration:
