# Making PDF's Work in a Production Environment

# Workshop 1

Learn valuable tips, techniques and shortcuts that will help you streamline your PDF workflow. This workshop gives you the answers to your questions about how to use Acrobat, PitStop Professional, Crackerjack, Flightcheck Pro, Quite Imposing and Quite A Box Of Tricks for real world production tasks.

**Who Should Attend:**  
Prepress Technicians  
Advanced CSR's  
Production Managers

# Workshop 2

# Digital Files 101: Pricing, Preflighting, and Scheduling Digital Jobs

**Who Should Attend:**

Owners  
Sales Representatives  
CSR's  
General Managers

Understanding digital files when pricing and preflighting a job is essential. When accepting files from your customer you need to understand how that file will be reproduced and how much time to budget to get it to print. This workshop will work with Owners, Sales Reps, and CSR's in an easy to understand format to help them ask the right questions and successfully price, preflight, and schedule digital jobs.

To Register, call 800.234.0040, on-line at [www.printimage.org](http://www.printimage.org) or fax this form to 312.726.8113
