

The Engineering Valley Tour Presents

Building With PDF

See how PDF simplifies the design through construction process

In this FREE four-hour seminar learn how PDF can save time and money by:

- * Converting all documents to one format
- * Tracking the review process
- * Making updates and changes instantly
- * Controlling document access and security
- * Sharing complex engineering projects even interactive 3-D PDF files
- * Sharing complex geospatial data
- * Search thousands of drawings and manuals in seconds

WHO SHOULD ATTEND:

Engineers Architects
Scientists Project Managers
Researchers College Faculty/Students
Engineering Associates Trainers

Register early and be eligible to win FREE Adobe software

Speakers include Experts from NEI, Adobe, Layton Graphics and Bentley

Engineers can earn Professional Development Hours

Where:

University of Tennessee Space Institute Auditorium
411 BH Goethert Parkway Tullahoma TN

When:

February 24, 2005
10:00 am - 2:30 pm (box lunch provided)

Registration: www.neiweb.org or call
1-866-221-5872
